DETAILED ACTION

Remarks

1. In view of amendments and indicated allowable subject matter in previous Office Action, the Examiner withdraws the objection to the drawings and the objection to claims 14, 15 and 23. Therefore, all the claims are in a condition for allowance.

Allowable Subject Matter

2. Claims 1-26 are allowed.

3. The following is a statement of reasons for the indication of allowable subject matter: the record of prior art does not show a platen for a planar linear motor provided with a platen body using a stacked member comprised of a large number of magnetic sheets stacked together and having a large number of platen dots formed in a two-dimensional array at one parallel sheet edge surface side of the stacked member, said platen for a planar linear motor characterized by having a connecting beam member supporting said stacked member at regular discrete positions in the sheet edge direction at the other parallel sheet edge surface side of the stacked member and binding means for binding the magnetic sheets between the other parallel sheet edge surface side and the connecting beam members.

Conclusion

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hanh N Nguyen whose telephone number is (703) 305-3466. The examiner can normally be reached on Monday through Friday.
